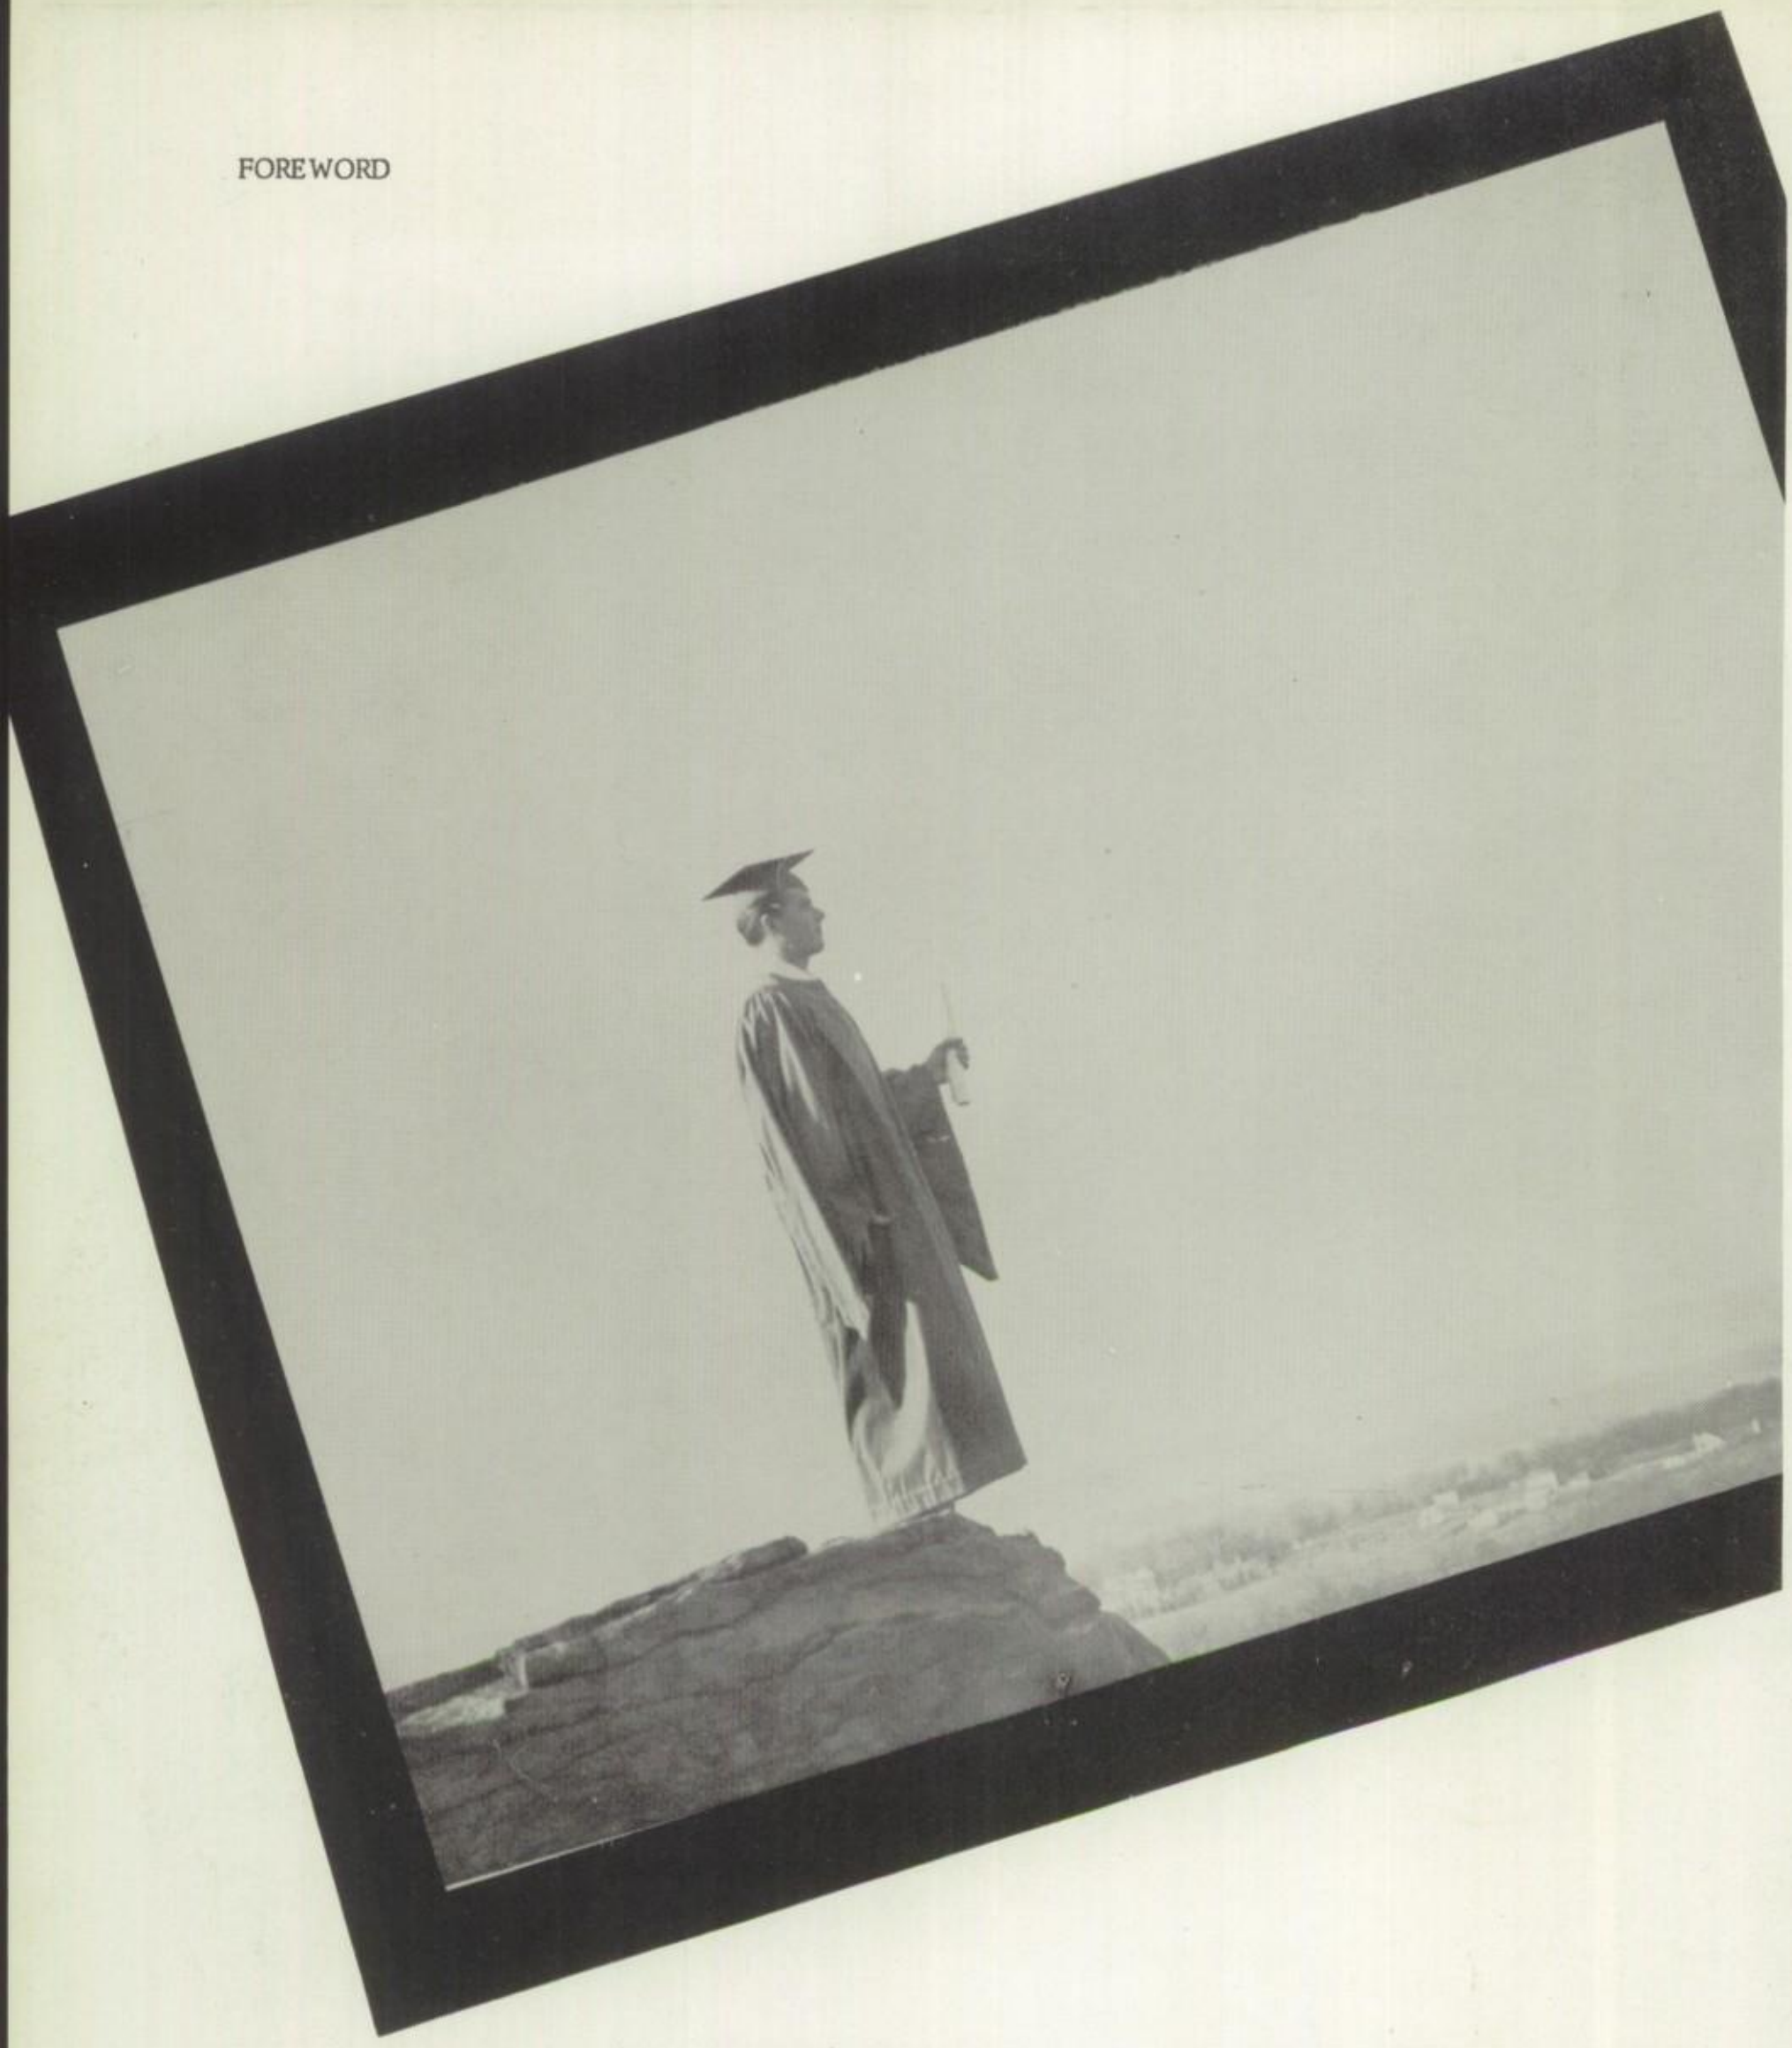
FOREWORD



As we look out into the World, we see many new hopes and dreams. We realize, that soon, we are to leave Northern High School. Now it is time for our yearbook.

We hope that you will enjoy it as much as we have enjoyed giving it to you. May many happy memories come to those who leaf through the pages of this book. May our work not be in vain.

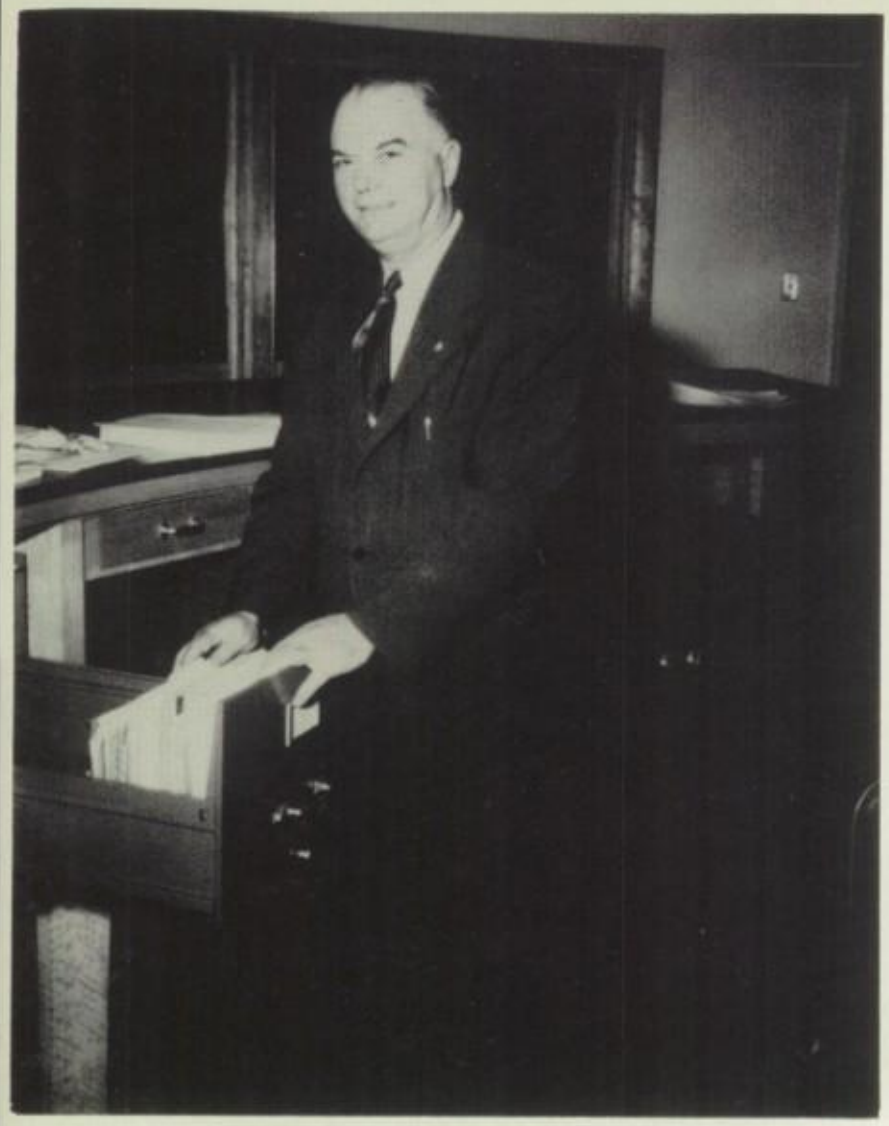
We give you our book.....The '54 Panorama

DEDICATION

This Panorama is dedicated to the Taxpayer of Northern York County Joint School System. Dedicated with profound gratitude and deep humility.

Class of 1954

"When gone the builder's building,
Crumpled into the dust;
Desk, lab, stage and gilding
Now memories consumed in rust.
Then that which the Taxpayers builded,
Will stand while the ages roll,
For it was an unseen creation,
'Twas a student's immortal soul."



Principal's Message

Members of the class of 1954:

American society is changing or progressing. Changing under the impacts of science, invention, enterprise, and thought. Early Agricultural society in the United States long had fairly settled ways of living and working. Wood had to be cut and split. cows fed, wool spun and woven, food-stuffs garnered and prepared for use, crops planted and reaped. Knowledge was extensively traditional and life went on very much in the same way from year to year. Social commands were positive and clear, and generally inequivocal. Preparation for life was categorically handed down by the elders.

On the other hand, in an industrial society, such as we have today, ways of life and economy are constantly changing. New industries appear, old industries die out, new forms of property appear, and change. Routine breaks up. The age at which youth enters industry is raised. The learning of the elders is no longer completely applicable. Life becomes uncertain in many respects. A quest for security amid the new conditions begins, in the organizations of corporations, trade unions, farmers' cooperatives, old age pensions, unemployment insurance, etc.

It is in such a changing industrial-agricultural society that you are now entering. This is not a theory. It is a fact. This American society is one of the many societies in a changing world. Its well-being depends in some measures upon our relationships with other nations, upon their fortunes on peace and war. Enter into this sojourn realizing that it is a venturesome voyage and be the captain of your ship.

CLASS OF 1954
IN 1950

Class Poem

Some write of heroes daring,
Some write of maidens fair,
While others tell of sorrows,
And dark deeds of despair.
But since I've been told,
Whose deeds to unfold,
My task, as a bard
Of this class, is not hard,

For if you pine for daring
And search for the winsome lass,
Your quest will cease ere it begins,
In the wonderful '54 class.
Tho' far we may be
From perfection you'll see
That our traits never are
With our good traits, on par.

Sometimes our way was rugged,
And we wished our task were done;
But Ambition ever spurred us on
Until our goals were won.
But let me confide
In a quiet aside:
We had plenty of fun
In the long, long run.

But now we come to parting,
To scatter who knows where;
May none of us place a stain
On our school and class so fair.
And we'll look above,
In Faith and in Love,
Unto Him, who will guide
Tho' our friends turn aside.

Our eyes on the stars, our feet on the ground,
To our motto we'll ever be true,
Each son and each daughter of '54,
True to the white and the blue.

Class History

Now at the close of our Senior year we look back over our four years of high school education, two years at old DHS and two years at our wonderful new NJHS, and see the mistakes we made and the many challenges which confronted us.

After a summer vacation from our grade school activities, we entered high school on Tuesday, September 5, 1950. Bewildered Freshmen, we were scattered throughout the assembly hall of DHS that morning. We were then assigned to Mr. Musser's science room and Mr. Habig's commercial room, our home rooms for that year.

Friday, September 29, 1950, our class organized by electing the following officers: President, Richard Myers; Vice President, Thomas Myers; Secretary, Ruth Mary Ralston; Treasurer, Shirley Shaeffer; and Historian, Clyde Wolf. At the second class meeting on October 10, the president appointed committees to promote activities during the Farmers' Day season to obtain finances. Our most successful achievement was the profit of almost $100 which we received from our refreshment stand. We entered a float in the parade, but the competition was too keen for us to be successful. A committee was also appointed by the president to write a constitution which was then adopted by the members of the class.

We celebrated the Christmas season by holding a class party. During our Freshman year we had a successful skating party at Haar's Skating Rink. Our last activity in our Freshman year was a picnic at Hershey Park on the last day of school.

As Sophomores of DHS we returned for the 1951-52 term by attending an assembly in the Community Hall in Dillsburg. We were assigned to home rooms 1 and 2 with Miss Kulp, now Mrs. Sanders, and Mr. Hoopes as home room advisors. At our first class meeting this year we elected our Officers as follows: President, Doris Morris; Vice President, James Weir; Secretary, Ruth Mary Ralston; Treasurer, Virginia Lucas; Historian, Clyde Wolf.

As October brought the annual Farmers' Day celebration, committees were appointed to prepare a float for the parade and a refreshment stand for the street. The financial result of these efforts was encouraging. During the month of November we held a class meeting with a representative from Union Emblem Co. At this meeting, we decided the style of our class rings and ordered them. After three months of anxiety we received them. Other activities of our Sophomore year included a skating party at Haar's, our usual Christmas party, the Sophomore Hop at William's Grove, and a picnic at Hershey Park on the last day of school.

At the opening of the school term for 1952-53, we found ourselves advanced to Juniors. We were called together in an assembly and were assigned to home rooms 1 and 3 with Mrs. Habig and Mrs. Sanders as home room advisors. This year our class officers were selected as follows: President, Clyde Lucas;

Class History

Vice President, Thomas Myers; Secretary, Doris Dagnell; Treasurer, Jim MacCluskie; Historian, Clyde Wolf. During the Farmers' Day activities our luck changed as we won prizes with our decorated car and our float. From our stand located in front of Krall's Drug Store, we made a profit exceeding $100. At a meeting we chose blue and white as our class colors. We also obtained our class jackets from the firm of Shenk and Tittle of Harrisburg. We had our usual Christmas party preceding the holidays, and we also held a skating party at Haar's.

On March 9, 1953, a big event took place when the pupils of the high school moved from their crowded quarters in the old DHS building to the new building. Our home room advisors here were Mrs. Habig and Mr. Hoopes. The yearbook staff was selected with Ruth Mary Ralston as Editor-in-Chief.

During the month of May we were very busy planning for the Junior-Senior Prom, which was held on May 22, 1953, from 8:00 to 12:00 PM at the Allenberry. The theme of the dance sponsored by us Juniors, was SPRING-TIME IN HOLLAND. The Room was very beautifully decorated with tulips and streamers in pastel shades. The committee chairman, responsible for the success of this activity only because of the cooperation of their committee members, were as follows: Prom Chairman, Clyde Lucas; Food Chairman, Joann Dick; Decoration Chairman, Doris Eichelberger; Invitations, Doris Dagnell.

We Juniors were elevated to full-fledged Seniors after receiving the mantel from the Class of 1953 at their commencement exercises. The school term was concluded with the annual picnic at Hershey Park.

Upon our return to the corridors of the new NJHS building on September 8, 1953, we considered ourselves dignified Seniors. More than 600 young Americans assembled in the auditorium for our first devotion service and assembly of the '53-'54 term. Senior advisors and home room teachers were Mrs. Habig and Mr. Kaup. The class officers elected for our Senior year were: President, Richard Leight; Vice President, Richard Kennedy; Secretary, Clyde Lucas; Treasurer, Doris Morris; Historian, Clyde Wolf. Our class was the sponsor of the frozen custard stand in conjunction with our regular Farmers' Day activities. We also sold Booster Tickets for the benefit of the Farmers' Fair Association. We increased our treasury to the amount of $50 by winning prizes on the decorated car and the float which we entered in various parades. The skating party held at Haar's, the Sadie Hawkins' Day Dance and sock hop held in the gym on November 13th under the sponsorship of the Senior Tri-Hi-Y Club were both very successful. Our class play, SEVENTEEN IS TERRIFIC was presented to a well-filled auditorium in February.

We, as a class, are not satisfied, however, with whatever success we may have attained, but are looking eagerly forward to commencement, when we shall go to new and greater fields of work.

Class Will

We, the class of 1954, being of sound mind and body, do hereby bequeath the following gifts to those who least expect it:

To the faculty we leave a larger and more active student body than ever. You have made our four years of high school enjoyable ones for us all.

To the student body we leave our wonderful faculty, our understanding principal, and our very fine building.

The Class members leave their individual bequeaths as follows:

Vivian Albert leaves her height to Linda Ripple.
Pat Baddorf wills her studiousness to Bob Miller.
Jerry Bonsell wills her cheerleading ability to Tillie Slyder.
Bill Brennamen leaves his position on the basketball team to George Hoffman.
Roy Conley wills his splendid ability to get along with Bucky to Earlyn Baker.
Harold Coover leaves his tight jeans to Jan Wiley.
Nick Charczenko wills his outstanding soccer ability to Tyrone Cutlip.
Bob Chronister wills his mischievousness to Delores Darr.
John Crook gladly wills his traffic tickets to Wayne Wenger.
Kay Cutlip gives her daydreaming ability to Sally Knisely.
Doris Dagnell wills her love of homemaking to Nancy Bonsell.
Joann Dick wills her locker to Jane Lefever.
Charles Diller leaves his bright red hair to Mr. Habig.
Doris Eichelberger wills her gum chewing ability to Fay Lucas.
Anna Eshleman wills her love of soldiers to Jan Hostetter.
Mary Eshleman leaves her attraction for Ford convertibles to Darlene Baker.
Barry Evans wills his dark hair to Joyce Fishel.
Betty Firestone wills her love of English to whoever dislikes it.
Sylvester Fletcher leaves his stage crew job to John Zerby.
To Carla Baer, Joyce Fortney gives her red hair and freckles.
Robert Funk lets Donald Peters have his love of women.
Henry Gerber leaves his troubles with Charles Eurich.
David Germeyer wills his long legs to Kermit Kirkland.
Gladys Gochenaur gives her hockey stick to Ann Millard.
Ginny Grimm wills her splendid skating ability to Pat Stiffler.
Lynn Harbold wills his ability to go with a Senior to Judy Bruaw.
To Mary Wolf goes Mim Himes' love of roller skating.
Betty Johnson wills her green eyes to Mrs. Armstrong if she thinks she will need them.
Richard Kennedy leaves his blue Chevy to Bucky Walters.
Shirley Eberly will make use of Fay Knaub's bashfulness.
Janet Laird wills her plumpness to Gail Alwine.
Richard Leight wills his physics book to anyone who can find it.
Clyde Lucas wills anything he owns to anyone who wants it.
Jim MacCluskie wills his beloved press room to the future Seniors.
Lily Mell hopes that Cynthia Flohr can find some use for her tallness.

Class Will

Hazel Miller wills her ability to get along with teachers to Arthur Berger.
Doris Morris leaves her dark eyes and hair to Mary Hunter.
Alta Myers wills her love of all sports to Phyllis Crone.
J. Richard Myers hopes his curly hair will make Larry Cassidy happy.
Robert Otto is the lucky recipient of Richard Myers' hopped-up Ford.
Ruth Myers leaves her activeness to Aquilla Grove.
Tom Myers wills his ability to have ability to someone who needs ability to have ability who doesn't have the ability.
Vilma Nester leaves her position in District Chorus to Paula Carpenter.
Janet Pentz wills Mr. Musser her chemistry book.
Norma Pipher wills her shyness to Jane Myers.
Ruth Mary Ralston's long curly hair goes to Jean Edgar.
Merril Ruth wants Fred Richrode to have his position on the baseball team.
Gerald Snellbaker leaves Roger Lemkelde his proprietorship of the "Casino".
Joann Sipe leaves her gym suit to Gloria Hoffman.
Gary Sowers hopes that Paul Fulmer will find some use for his farming ability.
To Barry Bortlemay goes Wilber Stoner's ability to get along with Freshmen.
Marlene Strayer wills her responsibilities to anyone who can shoulder them.
Dick Truax wills his stature to Charles Eurich.
Edward Welch leaves his love of females in the hands of Don Germeyer.
Clair Wolf wills his hunting (what?) ability to Barb Nailor.
Clyde Wolf wills his poolshooting ability to Howard Conley.
The Senior girls in Mr. Habig's shorthand class will their angel behavior and dictation ability to the future Senior girls who care to have it.

We, the entire Senior Class, leave next year's Seniors our best wishes for as enjoyable a Senior year as we've had.

Class Prophecy

Hello to you from the fabulous Astor Roof of the Hotel Astor in New York, where the first reunion in fifteen years of the class of 1954 is now getting under way since the class graduated. This broadcast is being brought to you over the MacCluskie Broadcasting Station (MBS), which is under the direction of James MacCluskie. The Roof is elaborately decorated in the class colors, royal blue and white, which incidently has been decorated by one of New York's most outstanding interior decorators, Robert Chronister. It looks beautiful Bob.

As I scan the room more carefully, I notice hanging above the doorway, inscribed on a bronze plaque the class motto, "Keep Your Eyes on the Stars and Your Feet on the Ground!" As I walk through the crowded room I hear many cheerful voices and as I pass by the different groups I took notes on what they were saying.

One of the first groups I came upon was Ruth Ann Myers, Joann Sipe, and Lily Mell. I noticed Joann was giggling about something Ruth had just told her and Lily is standing by trying to keep a sober face. As I came closer, I heard that Ruth is now a secretary for the Personnel Manager of Bowman's Department Store in Harrisburg. Joann and Lily are working with a Real Estate Company here in New York.

Coming through the door chattering like mad, I see Joyce Fortney, Doris Eichelberger, (I wonder if they still call her "Doots") and Vivian Albert.

Joyce now has her own studio and is teaching vocal lessons.

Doris is now the personal secretary to the Secretary of Defence of United States working of course in Washington, D. C.

Vivian is now happily married and is raising two children. (Thought you wanted to be a secretary Viv?)

Pat Baddorff is a missionary and is doing outstanding work with the children in Korea.

As I go on with my journey through the room I hear a slight discussion between Bill Brenneman and John Crook. I find that they are discussing the world series and having a bit of controversy about who will win this year. Bill is now playing short stop for the Yankees and John is pitching for the Dodgers. I wonder who will win? But I think this is one argument I'll stay out of.

Vilma is now the top buyer for Kresge's in Harrisburg and Gerry is working in a doctor's office.

Nick Charczenko is an electrical engineer.

Harold Coover owns his own garage in Dillsburg and seems to be making out quite well.

Henry Gerber is a married man and raising four children.

Sitting back in a corner I see Betty Firestone, Norma Pipher and Kay Cutlip busily chattering away.

Kay is holding a job with the Power and Light Company in York, Pennsylvania.

Betty is happily married and spending most of her time with her two children and husband.

Yes, there they are. I almost thought they weren't here, but there they are really having a good laugh about something, Gladys Gochenaur and Alta Mae Myers.

Gladys and Alta Mae are working together at the Harrisburg Trust Company.

Charles Diller and Sylvester Fletcher are pilots for T. W. A.

Going on I see Joann Dick, Doris Morris and Marlene Strayer looking for the rest of the old P.R. gang.

Marlene has her own little business in a photography studio and Doris is working at the Harrisburg Hospital as an X-Ray Technician and Joann is teaching at the old Alma Mater.

The food tonight is being supplied by Barry Evans, who now has a chain of grocery stores located from Dillsburg to Philadelphia.

As the party continues the class members are mingling and I see now that I will have to keep my eyes open so that I may complete my interview with each of my class members.

Oh! There's Virginia Grimm coming through the door, a little late but she's here. As I talked to Ginny I found out she is married but keeping up her profession in teaching.

I see David Germeyer and Richard Leight talking in a very business like manner about some engineering project that is taking place in their work.

Merril Ruth is joining in the discussion with Bill and John for Merril is playing with the Phillies as a pitcher.

Mary Eshelman and her sister, Anna are happily married and both are raising a family.

Dick Truax is working as an Aeronautical Engineer and his old friend Clyde Wolf is out west and owns one of the largest Amusements Parks in the west.

Miriam Himes is working at the Naval Depot in Mechanicsburg and talking to her is Doris Dagnell who is at the Polyclinic Hospital as a nurse.

Robert Funk, I see is well decorated with all sorts of ribbons on his naval uniform. Bob has made a career in the Navy and is now holding the title of Commander.

Clyde Lucas has his own business selling furniture.

Out of the whole class we have two farmers and they are Edward Welch and J. Richard Myers. How are the crops fellows?

Betty Johnson and Janet Pentz, who have been life long friends are now married. Janet is working as a doctor's secretary and Betty does a little modeling now and then.

Janet Laird and Faye Knaub are chattering away like mad about something. Faye is a nurse and Janet is married and raising three children.

Wow! Am I glad I'm here and didn't have to rush or break the speed limit, cause who do I see other than Wilbur Stoner who is with the Pennsylvania State Police.

Richard L. Myers now owns his own restaurant and does he serve good food!

Richard Kennedy is married with a rather large family (7) and working as an auto-mechanic.

Roy Conley now owns the Conley Speedway located in Maryland and one of his top drivers is Gerald Snellbaker.

Above the heads of everyone I see Clair Wolfe who has grown at least another foot. Clair is now an outstanding politician in Vermont.

Our delicious fruit salad was supplied by Gary Sowers who has one of the largest fruit farms in Pennsylvania.

Hazel Miller turned down a movie contract to get married. Must be love.

The beautiful music that has made this evening especially enjoyable is being supplied by Lynn Harbold, and orchestra, now a top name band in the States.

And now the party has come to an end and everyone is saying their good-bys. Before leaving, however, we all gathered around the orchestra and sang our alma mater. This evening has been thoroughly enjoyed by all and it has made me realize how much I have to be thankful for. For I have a wonderful husband and three children. And now I say good-night to you all till we meet again.

Good-night

Play Scene

Almost every high school student has dreamed--at one time or other-- of being principal for a day. NO MORE HOMEWORK is the successfully tested account, based on a newspaper story, of what happens when force of circumstances propel three high school students into the roles of principal, vice principal, and school secretary in a typical high school.

Senior Class Play

SEVENTEEN IS TERRIFIC, a three act comedy by Esther E. Olson, concerns a matter of life or death to Chuck Allenby, who is trying to raise $5.00 within the next two weeks. When Chuck had to borrow the car one afternoon, with the explanation that you couldn't ask a girl like Ginny to walk to a skating party and it was because of this mishap that Dad, the dentist with aching feet, canceled his allowance--with the Spring Dance coming so soon--which leaves the way clear for Hugo, a boy who considers himself quite a man with the ladies, to ask Ginny to the Dance. Because Chuck's source of income has stopped he finds it necessary to get a job so he can raise the money for the dance. He takes a job as a garbage collector's assistant, which disgraces his sister Barbie to no end. Chuck loses the money on the way home so Ginny has to keep stalling Hugo because she would rather go with Chuck, but she just must get to that dance even if she has to go with Hugo. By this time Chuck is still trying to raise money for the dance, so he enters a talent contest in a near-by town and wins; but he has to spend the money to get the garage to fix the fender of Hugo's car which he has borrowed because Hugo is also trying to make money. Barbie, on the other hand, is nearly sunk because she is hoping Hugo will ask her to the dance at the last minute, so she keeps turning George down because she thinks Hugo will ask her, but he doesn't. Chuck makes one last supreme effort, to raise the money by digging up a buried can of pennies, which contains 500 pennies that Grama buried when she was a girl out at the farm, that she herself could never find. Chuck takes Billie's map, digs, and comes home triumphant, only to have Billie claim the find, because Grandma promised it to him. After a few other events Chuck finally takes Ginny to the dance. Barbie, ends up going with George and Nancy, Barbie's best friend, confident, and alibi goes with Hugo. Because Janie wants to be a school cheerleader, she is always practicing yells. Dr. Allenby finds he must teach her a few lessons. Hannah the maid finally makes up her mind to stay with the Allenby's. Patsy, Billie's pal continues to adore him.

VOLLEYBALL

VARSITY HOCKEY TEAM

The girls hockey team started the season off by playing Middletown, Mechanicsburg, and Susquehanna.

Our team participated in a hockey tournament held on Saturday, October 31, 1953, along the Hershey road.

Northern played Highspire, Elizabethtown, and Lititz. Other teams participated in this tournament but these were the only teams Northern played.

The scores of our games were as follows:

	Opp.	NHS		Opp.	NHS
Middletown	0	5	Lititz	2	0
Mechanicsburg	0	3	Mechanicsburg	0	5
Highspire	0	1	Susquehanna	3	0
Elizabethtown	0	0			

After playing the tournament games, the referees picked the all star player for each position. The all star player representing Northern was Alta Mae Myers, who played center half.

JUNIOR VARSITY HOCKEY TEAM

Girls Softball Team

The 1953 girls softball team of Northern High School played five games. Although they won three and lost two they had the thrill of playing this sport.

The team was coached by Miss Forest.

IRWINS DAIRY

OFFERS CONGRATULATIONS
TO THE CLASS OF 1954

You are now leaving school and going out into the world some are going on to college. Many of you know what you intend to do, others are undecided.

Here are some figures for your information concerning the Dairy Industry.

York and Cumberland Counties had a $16,526,000 income from milk in 1953.

The dairy farmers of these two counties produced over 122,302,000 quarts of milk valued at $13,463,000.

Wages which milk dealers and processors paid to employees in York and Cumberland Counties was over $3,063,000.

The income from milk kept bells ringing in service stations, grocery stores, insurance offices and all other types of businesses.

This income may have helped your mothers and fathers to send you through school.

Because of its great importance to our national health, the Dairy Industry is recognized "as one of the nation's great resources."

As men and women of the future it will be your privilege to preserve the greatest of all heritages....The American Way of Life. Industry as a way of life with a future for you.

Good luck and best wishes for success in whatever venture you are about to undertake.

SCHOOL DAYS . . .

They cement many lasting friendships. Soon you and your classmates will take different roads, and it may be years before some of you will meet again. School days do not last forever--and when they are past, memories are kept warm by the photographs of friends of the classroom and campus.

Your chums should have a "personality portrait" of you, and so you will prize one of theirs in return. In a year or so you will be glad you took this means of keeping alive the memories of your school days.

And the home folks will always cherish a portrait of the "turning point" in your life.

This studio is the headquarters for the special photographic work and the doors are open to students of the Dillsburg High School and their friends.

Why not arrange to come to the studio now and have that photograph taken?
